Job Aid: How to Initiate a Contract

Steps	Visual Cues

Enable Pop-ups:
1. Firefox
    a. Firefox – Tools > Options > Content > Block pop-up windows.
    b. Firefox – Preferences > Privacy & Security > Block pop-up windows.
2. Chrome
    a. Chrome > Preferences > Advanced > Content Settings > Pop-ups and redirects > Allowed	

Login to Agiloft: 1. Access the system from the auth.slu.edu (formerly mySLU) page with your existing credentials. 2. Choose the icon to open Agiloft.	
Initiate New Contract: 3. Click Contracts in the left pane, and then click New. Note: Remember that in a browser-based application, you cannot click "Back." Agiloft does not save records automatically. You can click "Save & Continue" to save your work.	
Fill in Intake Request Form: 4. Fill in all Intake Request Form Questions. Note: Be sure to select all required fields, which are marked with a red asterisk *. Note: If you see a magnifying glass 🔍 you can click it to look up the potential values in a new window. Be sure to enable pop ups in your browser in order to see that new window. When you see the value you want to pick, click the red arrow to select the value and return to the intake form. In some cases, you may see checkboxes instead, and can check the box(es) and click "Import/Append."
