Dear Student,

Through the American Recovery Plan — part of the federal stimulus allocations prompted by the COVID-19 pandemic — SLU has emergency funding available to eligible students in 2021-2022 academic year, allowing us to further assist students who demonstrate exceptional financial need.

Grants have been automatically distributed and refunded to those students who are enrolled in the Fall 2021 term and receive a federal Pell grant. Because these grants are automatic, there is no further action required by those students or their families.

We know many students face unexpected costs. We aim to help students who have incurred a range of different expenses, including (but not limited to):

- Tuition
- Food
- Housing and moving expenses (e.g. rent, storage)
- Technology (e.g. internet, routers, computers, cameras, software)
- Transportation (e.g. unexpected travel costs)
- Child care
- Medical expenses
- Increased utility costs

We hope this is useful information for you, our students and families in need. As always, we are OneSLU.

Sincerely,
