

Library Instruction Sessions

Information Literacy is the set of integrated abilities encompassing the reflective discovery of information, the understanding of how information is produced and valued, and the use of information in creating new knowledge and participating ethically in communities of learning.

"One Shot" Sessions

How to use/discover information through SLU search tools

Advanced Search - Guided-Style Find Fields

EBSCO research interfaces allow users to conduct advanced searches using Guided-Style Find fields. Guided-Style Find fields assist you in creating a more targeted search.

To use Advanced Search with Guided-Style Fields:

1. Click the **Advanced Search** link below the Find field.
2. Enter your search terms in the first Find field on the A...

Embedded Librarian

Want to partner with a librarian for more than just a one-shot library instruction session? **Embed a Librarian, partially, into your course.**

We can come to your classroom or post library content online at designated times over the semester to do components of a library instruction session and more, aligned with when the students are working on the related assignment or step of the project.
